Bulb

YOU WILL NEED

Drill, screwdriver, spirit level, voltage tester
Not confident with wiring? Use a registered electrician.

CARE

Wipe glass with a soft dry cloth once cool. Handle by the body, not the neck.

NEED A HAND?

Write to thelightheritagelondon@gmail.com with your order number and a photo. We reply within one working day.

INSTALLATION · 6 STEPS

Switch off at the fuse box before you start. If you are not confident with wiring, use a registered electrician.

- 1

Switch off at the fuse box and check the circuit is dead.
- 2

Fix the bracket to the ceiling.
- 3

Set the drop: feed the cable or chain through the canopy and lock it (about 75 cm above the table).
- 4

Connect brown to L, blue to N, green/yellow to earth. Tug each wire to check.
- 5

Lift the canopy over the bracket and secure it.
- 6

Fit the shade and bulb, switch on.
