with your order number and a photo.  
We reply within one working day.

INSTALLATION · 6 STEPS

*Switch off at the fuse box before you start. If you are not  
confident with wiring, use a registered electrician.*

- 1

Switch off at the fuse box and check the circuit is dead.
- 2

Remove the diffuser to reach the base plate.
- 3

Screw the plate to the ceiling over the cable outlet.
- 4

Connect brown to L, blue to N, green/yellow to earth.
- 5

Fit the bulb and refit the diffuser.
- 6

Switch on.
