Not confident with wiring? Use a
registered electrician.

CARE

Wipe glass with a soft dry cloth once
cool. Handle by the body, not the
neck.

NEED A HAND?

Write to
thelightheritagelondon@gmail.com
with your order number and a photo.
We reply within one working day.

INSTALLATION · 6 STEPS

*Switch off at the fuse box before you start. If you are not
confident with wiring, use a registered electrician.*

- 1 Switch off at the fuse box and check the circuit is dead.
- 2 Fix the bracket to the ceiling, into a joist or a fixing rated for the weight.
- 3 Set the drop: feed the cable or chain through the canopy and lock it.
- 4 Connect brown to L, blue to N, green/yellow to earth. Tug each wire to check.
- 5 Lift the canopy over the bracket and secure it.
- 6 Fit the shade and bulb, switch on.
